TEAM EsTEAM. Keeping you informed on the latest and greatest with TEAM Santa Rosa.  
Please reply to this email if you wish to be removed from the EsTEAM distribution list.

TEAM is working this week with representatives who are in town from Project Kinetic to finalize plans on a new 110+ employee operation for Santa Rosa County.

With the help of TEAM Santa Rosa, Clearwire Communications, LLC., in Milton is expanding its current 300 employee customer service center to 400. Their job fair on July 7th enticed hundreds of eager applicants applying for well-paying jobs.

H.T. Hackney Co. breaks ground on a new 158,000+ square foot facility on Thursday, July 23 in the Santa Rosa Industrial Park. Over 50 new jobs will be created within five years.
