**TEAM EsTEAM.** Keeping you informed on the latest and greatest with TEAM Santa Rosa.  
Please reply to this email if you wish to be removed from the EsTEAM distribution list.

It's grant writing season! With the anticipation of limited funds for the next fiscal year, TEAM is working on securing grants to subsidize our 2010-2011 budget.

TEAM's recommendation for pricing guidelines for property in the Whiting Aviation Park will be brought before the Board of County Commissioners for consideration in May. The target industry for this property is Aviation and Defense.

Shannon Ogletree, Associate Director of TEAM Santa Rosa, is working with a potential tenant for the former 84 Lumber facility in the Santa Rosa Industrial Park.

Project Snake Eyes is coming to fruition. The project would bring 500 jobs to Santa Rosa County. A decision by the company is expected by the end of the month.

Not a member of TEAM? You can join now! A new standing committee has been formed to increase TEAM Santa Rosa membership. Call the office at 850.623.0174 for more information and to learn about membership benefits.
