

EsTEAM

November 4, 2009

TEAM EsTEAM. Keeping you informed on the latest and greatest with TEAM Santa Rosa.

Please reply to this email if you wish to be removed from the EsTEAM distribution list.

Welcome New TEAM Board of Directors:

Ferd Salomon- Chairman of the Board, Dave Hoxeng- Chairman-Elect, Dick Baker- Treasurer, Susan Nelms- Secretary, Ed Gray- Past Chairman, Mike Diehl, Ed Fortune, Gerry Goldstein, Bob Harriman, Don Jehle, John Myslak and Carrie Swilley

Interviews will be held Monday, November 9<sup>th</sup> for TEAM's Military Affairs Consultant position.

Two renewable energy companies, Project Hammerhead and Project Basement, are considering Santa Rosa County as possible locations. TEAM Santa Rosa met with representatives of Project Bond, an aviation company, looking at sites in east Milton.

TEAM Santa Rosa is continuing to work with existing industries in Santa Rosa County to nurture their success. Because we realize how important our existing businesses are, as they account for 80% of job growth in the US, facilitating their development is paramount.

TEAM has received a positive response on starting a Community Supported Agriculture (CSA) program for Santa Rosa County. Cindy Anderson is taking input now on the creation of a CSA for our area. It would be an opportunity for our citizens to become part of a program that provides fresh seasonal produce to those who subscribe. Email [Cindy Anderson](#) to support this potential initiative. The initiative was featured in the Santa Rosa Press Gazette and Gulf Breeze News and on WUWF 88.1 Radio since the last edition of EsTEAM. Visit our [Press Room](#) for more information.

Getting the word out:
