TEAM EsTEAM. Keeping you informed on the latest and greatest with TEAM Santa Rosa.

Please reply to this email if you wish to be removed from the EsTEAM distribution list.

TEAM Santa Rosa is working with Workforce Escarosa and the School District of Santa Rosa County to advise local educators on the workforce skills needed by area industries. Emphasis is placed on nurturing the 80% of students that may not attend or complete college. More information will be provided at the September 8th meeting of the EDGE (Economic Development Government & Education) Committee.

The TEAM Board of Directors approved the RFP for the 2009-2010 Military Affairs Consultant Position. The job will be advertised the first week of September and proposals will be due on September 30.
