

FOR IMMEDIATE RELEASE

Clearwire to Host Job Fair for Technical Support Professionals on July 7 with TEAM Santa Rosa

Clearwire to hire up to 100 additional Technical Support professionals for Milton Call Center

MILTON, FL - June 30, 2009 -- Clearwire Communications, LLC, an operating subsidiary of Clearwire Corporation, (NASDAQ: CLWR) will host a job fair in tandem with TEAM Santa Rosa to promote opportunities in technical support. The job fair will take place on July 7, 2009 from Noon until 5 p.m. at Clearwire's Milton location at 5520 Industrial Boulevard.

Qualified applicants will have an opportunity to speak with Clearwire representatives on site. Potential candidates should provide resumes and are required to have a high school diploma and experience in technical support.

Clearwire currently employs over 300 people at the Milton location and 2,000 employees nationwide.

"We've recruited some great talent in Santa Rosa and look forward adding additional tech support professionals to our team," stated Clearwire's Milton Site Manager Eric Petrosevich. "At Clearwire, our values are more than a statement on a wall. We offer an amazing place to work and grow, competitive benefits, and an opportunity to build a business from the ground up."

Across the country, Clearwire's teams have a unique opportunity to impact the communities they serve. Clearwire's technology changes lives. Anyone motivated by the prospect of having a role that directly influences the way people live, work and communicate should consider attending this event.

TEAM Santa Rosa has partnered with Clearwire in their recruitment efforts in the Santa Rosa area. "Clearwire is one of the recent successes for economic development efforts of TEAM and community. The company has continued to expand since TEAM helped bring them to Santa Rosa County in 2007, and we are thrilled to be part of their latest recruitment efforts," stated TEAM Santa Rosa Chairman, Ed Gray.

About Clearwire:

Clearwire Communications, LLC, an operating subsidiary of Clearwire Corporation (NASDAQ: CLWR), offers a robust suite of advanced high-speed Internet services to
