USDA gives \$175,000 grant to TEAM-SR

The TEAM Santa Rosa Economic received \$175,000 from the U.S. Department of Agriculture that will enable TEAM's Revolving Loan Fund Committee to offer loans to local farmers desiring a transition to specialty crop production and other local, rural entities including Panhandle Fresh Marketing Association.

Agriculture is one of Santa Rosa County's top industry sectors. Part of TEAM's mission is to promote local industry. Small farmers can use this funding to explore opportunities for adding diversified crops, such as peppers and watermelons, to their existing traditional product offerings.

TEAM's Revolving Loan Fund Committee will distribute the funding based on standing policies and procedures, as well as forms, for awarding the loans.

The AARP Safe Driver Course will be offered at Holley Navarre Senior Association Center on Aug. 5-6 from 9 a.m. to noon each day. This Driver Safety Program has helped millions of drivers avoid collisions, remain safe, and save money on insurance.

This two-day course is \$14 (discount to AARP members) and is open to anyone 50 and over. Reservations are required; please contact Myrtle Trussell, 939-1773.
