redefined here.

Economic development is truly about relationships - the ones we build and nurture every day in our personal and professional lives. The stronger these bonds are, the stronger our foundation becomes for mutually beneficial networks that support a thriving, growing business environment. That is why TEAM Santa Rosa strives to create an environment that readily connects people and organizations to one another.

We invite you to explore the possibility of doing business your way in one of the fastest growing communities in the nation. TEAM has worked with many industries on all fronts of economic development, ensuring a vibrant and sustainable community for Northwest Florida business.
